# A Passion for Prosser

Hello there

I'm Jim, and am running as an Independent candidate for Prosser in the 2018 Legislative Council election.

As a local, I feel passionately about the Prosser area and will represent the many Tasmanians who say...

YES to an independent Legislative Council

YES to ensuring accountable Government

YES to an 'Infrastructure 2050 Plan'

YES to pokies reform

NO to a takeover of TasWater

NO to fish farms in inshore waters

Please visit my Facebook page and website to find out more and get in contact if there's an issue you feel strongly about or you have a story to tell.

**VOTE 1 PLAYSTED for PROSSER**

**on SATURDAY 5th MAY**

and get a strong, independent voice  
representing YOU in the Legislative Council.
